Book Chat

1. Describe the zoon. (page 3)
2. Where did the zoon go on its rocket? (page 6)
3. What happened to the zoon? (pages 8 and 9)
4. How did the zoon fix the rover's flat tyre? (pages 10 and 11)
5. What did the zoon do with the tooth? (pages 12 and 13)
6. Would you like to travel into space? Why/Why not?

How to Support Students During Reading

Encourage Sounding Out

If a student is stuck on a word, prompt them to say the sound for each grapheme and blend the sounds together.

Avoid asking the student to guess a word from the first letter or pictures.

Explain Special Words

Special Words are more difficult to sound out. If a student is stuck on a Special Word, explain how to read the word and model it for them. For example, for the word was, you could say: 'This word is tricky because the **a** shows /o/ and the **s** shows /z/. Watch me read it: /w/, /o/, /z/, was.'

Correct Errors

If a student makes an error, stop and correct. For example, if a student reads bag as bat, you could:

- Repeat the error back to the student: 'Bat? Is this word bat?'
- Point to the part of the word they read incorrectly: 'This **g** shows /g/. Read the word again.'

Discuss Word Meanings

Pause to discuss the meaning of unfamiliar words and words with multiple meanings.

About Foundation Decodable Readers

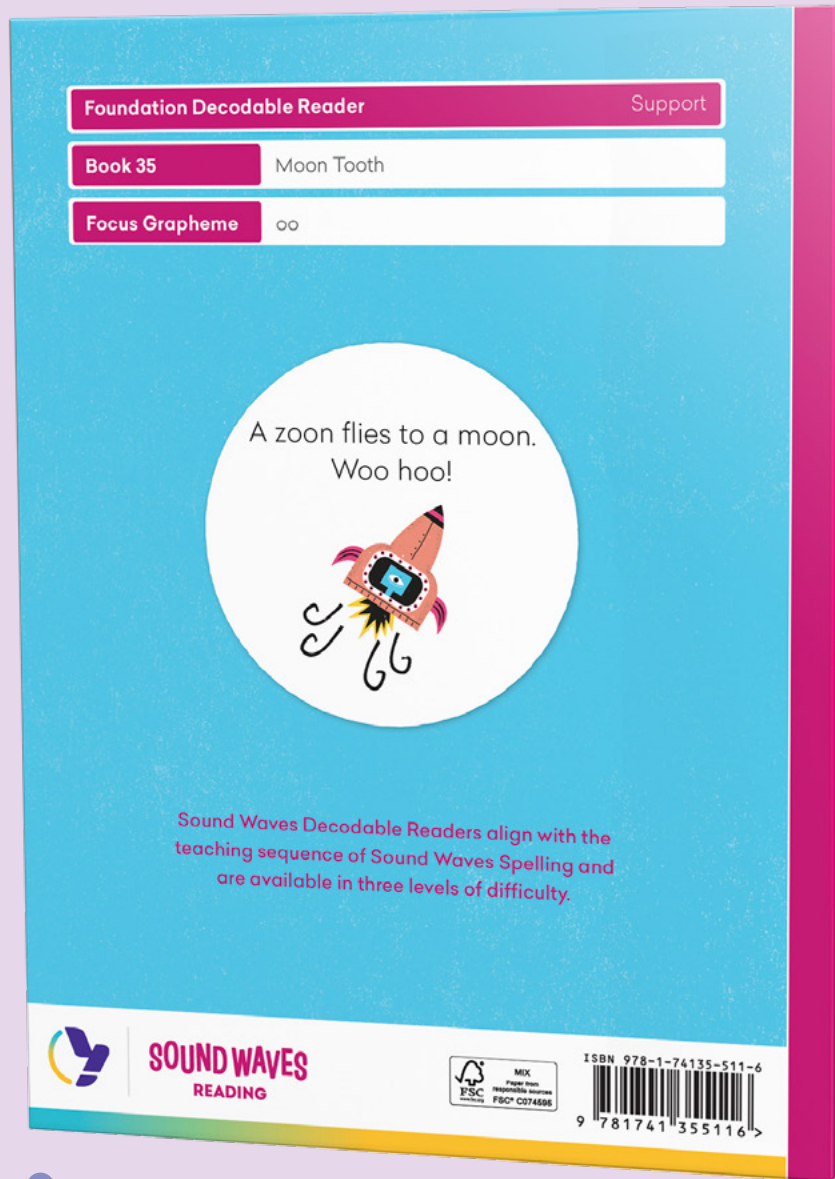

These books each feature one or more focus graphemes and should only be read after the associated Sound Waves Spelling lesson. There are three levels of difficulty.

Support	CVC words	20–75 words
Core	CVC words	25–130 words
Extended	CCVC, CVCC words	40–150 words

Support Decodable Readers

Students need to be taught the graphemes **m, a, t, s, i, d, f, n, p, o** and **r** before reading the first book in the sequence.
